

FAYSIL AMIN NIHAD

JAVASCRIPT FULL-STACK DEVELOPER

Email: nihadbhuiyanb@gmail.com Portfolio: <https://nihadportfolio.vercel.app>
GitHub: <https://github.com/faysil-amin> LinkedIn: <https://linkedin.com/in/faysil-amin-nihad>

PROFESSIONAL SUMMARY

Motivated **JavaScript / Full-Stack Developer** skilled in building modern, responsive web applications using **Next.js, React.js, Tailwind CSS, Auth.js, MongoDB, Express.js, and Node.js**. Experienced in UI animations with GSAP and Lenis Scroll, JWT authentication, Stripe payment integrations, and Component-Based Architecture. Possesses a strong academic background in honors-level mathematics, bringing analytical rigor, algorithmic thinking, and structural problem-solving to complex software engineering tasks.

TECHNICAL SKILLS

Core Languages: JavaScript (ES6+), HTML5, CSS3
Frontend: Next.js, React.js, Context API, Tailwind CSS, GSAP, Lenis Scroll
Backend, Database & Auth: Node.js, Express.js, MongoDB, Auth.js (NextAuth), Firebase Authentication, JWT
Tools & Workflow: Stripe Gateway, Postman, npm, Git Version Control, GitHub, Vercel, Netlify, VS Code
Concepts: Responsive Web Design, SPA Architecture, RESTful APIs, CRUD Operations, Component-Based Architecture

KEY PROJECTS

Dot Com – Story & Experience Sharing Platform

Live: <https://assignment-11-a032d.web.app/> | **GitHub:** <https://github.com/faysil-amin/dot-com-client>

- Engineered a dynamic content-sharing platform enabling full CRUD operations for daily life stories and thoughts.
- Implemented role-based authorization for standard Users and dual Admin roles using **Firebase Authentication** and **JWT**.
- Integrated **Stripe Payment Gateway** for seamless handling of Premium Subscriptions.
- Developed administrative controls for homepage content curation (featuring up to 6 highlighted posts), social sharing, and newsletter subscriptions.

Interactive Next.js Developer Portfolio

Live: <https://nihadportfolio.vercel.app> | **GitHub:** <https://github.com/faysil-amin/portfolio-nextjs>

- Architected a high-performance interactive developer portfolio using **Next.js (App Router)** and **Tailwind CSS**.
- Implemented butter-smooth visual storytelling using **Lenis Scroll** integrated with **GSAP** timeline animations.
- Configured **MongoDB** operations for dynamic data handling and optimized Vercel deployments for high performance.

Web AI Application

GitHub: <https://github.com/faysil-amin/web-ai-app>

- Engineered a full-stack web application featuring secure user authentication, dynamic routing, and dark/light mode toggling.
- Integrated **Firebase Authentication** and real-time Firestore database security rules.
- Designed responsive dashboards with protected routes and full CRUD functionality.

EXPERIENCE / TECHNICAL WORK

Frontend & Full-Stack Development — *Personal & Independent Projects* Present

- Engineered custom web solutions using modern JavaScript technologies, React, Next.js, and scalable architecture.
- Translated complex business logic into clean, maintainable, and well-documented codebase using Component-Based Architecture.
- Conducted continuous code refactoring, performance profiling, and debugging to maintain deliverable quality.

EDUCATION

Bachelor of Science (B.Sc.) in Mathematics (Honors) Present
National University, Bangladesh
Relevant Coursework: Mathematical Logic, Discrete Mathematics, Analytical Problem Solving

LANGUAGES

- English:** Professional Working Proficiency
- Bengali:** Native
